NUMBERS & THINKING

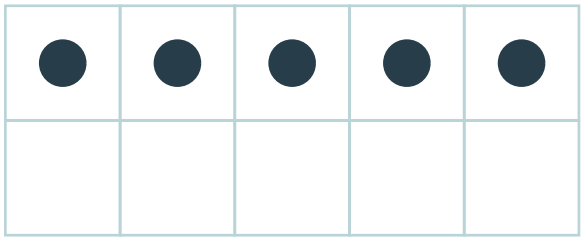
Meet number 5

Say it. Trace it. Count the dots. Try it yourself.

5

5 5

Touch every dot once. How many altogether?



5 dots: 5 in the first frame.

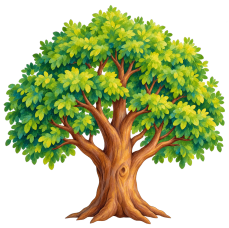
Draw 5 little circles in the box.

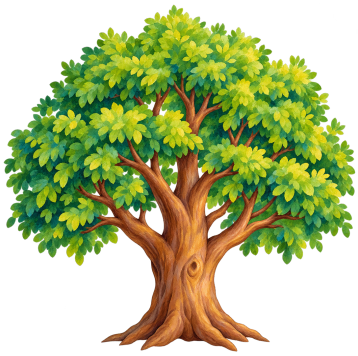
Write the number.

NUMBERS & THINKING

Small, medium, large

Write 1 for smallest, 2 for medium and 3 for largest.

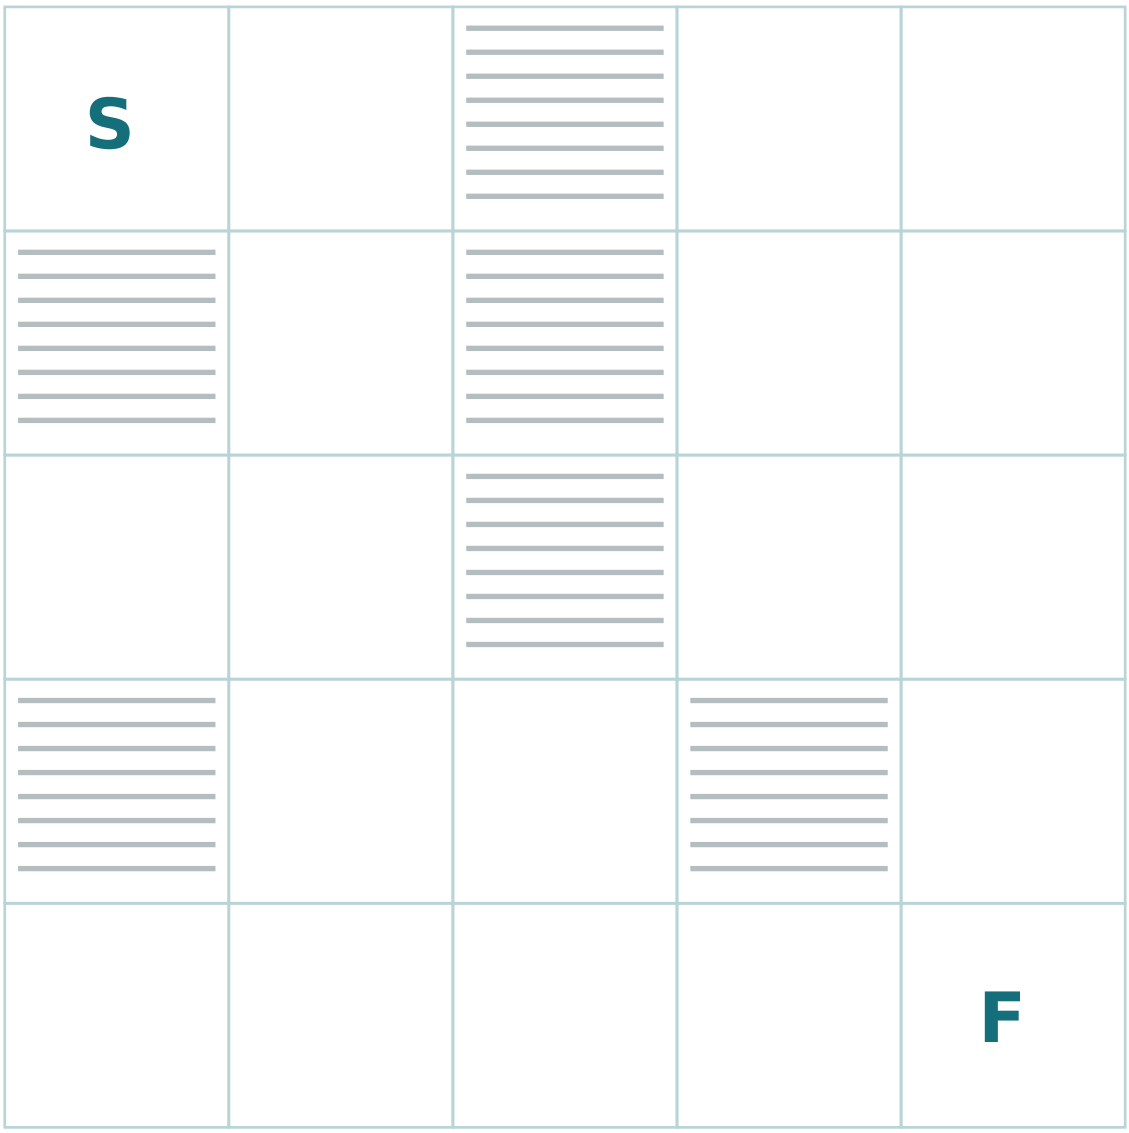




NUMBERS & THINKING

A little route puzzle

Start at S. Move right or down. Avoid the shaded squares.



Trace a route to F. A move crosses one shared side. You may change direction only between right and down.
